Public Storage

4101 N. Josey Lane
Carrollton, TX 75010

Meet Kellye Sullivan-Robinson with Paws of Love rescue. She is warehousing donations for multiple rescues and is coordinating dispatching of donations to rescues. They have dedicated warehouse space.

Laura with Advocates for Greenville Animal Shelter will possibly show up at this location. If they do, we will give them slightly less than ¼ of the truck (or less if they can't take that much). It is an hour drive each way for them.

Action Items:

1. Unload the semi of approximately 1/4 th of donated items into the designated storage space for Kellye.
2. Unload what Greenville Animal Shelter can hold (if they come).
3. Make sure sweet feed from SUV's gets moved to Todd's trucks after we unload the semi
4. Load SUV's with crates and any supplies needed to transport dogs bag.
5. Load SUV's with as many donations from Todd's semi as will fit into each. The SUV's will head to drop off in Elm Mott to Julie Morris.

SUV's Action Items (Derick and Corey)

Tuesday

Load bags of sweet feed and other items needing to go in Todd's semi that we will meet Thursday morning in Carrollton into the SUV's.

- At least 15 bags of sweet feed divided between two SUV's
-1 large, 6 medium and 4 smaller crates into each SUV. Preferably wire and they fold flat

Thursday morning after unloading Todd's semi

1. Move bags of sweet feed, pig feed, rabbit feed and honey that we brought with us onto Todd's semi after he unloads all donations to the warehouse and to Greenville.
2. Make sure we have the following in each SUV. Move items from semi if needed:
 - 1 large, 5 medium and 4 smaller crates into each SUV. Preferably wire and they fold flat
 - Enough towels and blankets for the crates that will travel in each SUV and now double that amount at least since they will get soiled.
 - 1 small to medium bag dog food in each SUV
 - 4 bowls in each jeep
 - One container of Clorox wipes
 - 2 rolls paper towels
 - 1 spray bottle of disinfectant
 - 2 slip leads
 - 1 case of water
3. Give Todd Tshirts for Todd, Sharon, and other volunteers.

Friday morning before departing hotel

Prepare all of the crates in each SUV. Place blanket or towel in each crate. Face crates so door of crate is accessible from the SUV doors or the hatch. Stack crates and use bungee cords to secure tightly in place. Have all supplies easily accessible in SUV and far away from grabbing paws that might like to shred.

During Dog Transport

1. Must use slip lead for dog when walking and pottyng.
2. Only one dog per person.
3. Check bedding at each stop and replace with fresh bedding if it has been soiled.
4. Offer a tiny amount of food and water at each stop.
